Get your voice heard!

Saturday 14th April 2018

Trampolining at Energi & multi-generational workshops based on the 2018 3Generate Manifesto.

- What does it really mean to be a worshipping people?
- How can we really help to “save the planet”?
- How can we really communicate well across the generations?
- How can everyone really have their voice heard in the church?
- How can we really make an impact in the world?
