## Newsletter #16

### News

#### Newsletter circulation

We will be moving to circulating the newsletter via Mailchimp which will allow you to control your own subscription. As the new data protection legislation comes into force this month, I will only be sending future newsletters to those who email me with their explicit consent (using the paragraph in italics below) or who subscribe via the sign-up form on the District website <http://www.yorkshirenemethodist.org/newsletters/> or on the Facebook page <https://www.facebook.com/YorkshireNorthandEastMethodistDistrict/> (link at bottom of left hand sidebar).

Ministers in the active work and District employees will receive this newsletter as part of their role and do not need to provide consent or subscribe via the form. Those who have already emailed their consent do not need to do so again although they should note that the use of the Mailchimp service is a change to the way in which your data is processed; further information can be found at <https://mailchimp.com/legal/privacy/>. If you normally receive the newsletter as a forwarded email from someone else, you might like to consider subscribing in your own right via the District website or Facebook page.

*'I consent to my name and email address being stored by the Yorkshire North and East Methodist District for the purpose of receiving regular newsletters and for this information to be transferred into the Mailchimp secure service. This data will be stored securely and will be accessed locally only by the District Chair and District Administrator. I am aware that I have the right to request the removal of this data at any time, which can be effected either by using the 'unsubscribe' facility in the newsletter or by contacting the District Office. I understand that the District might store additional personal information relating to other roles that I might hold within the church which are not covered by this consent.'*
