

KIRKBYMOORSIDE METHODIST CHURCH

January 2021

From KMS Stewards

Dear All

We hope that you managed to have a joyful Christmas regardless of the strange circumstances that we find ourselves in.

As you are aware Ryedale is now in Covid-19 Tier 3. We have therefore decided to take the difficult decision to close the chapel once again, in line with recommendations from the District and Circuit. The rates of infection in our area are increasing, and the news of the new variant is of concern, and we wish to keep everyone safe. It may not be too long now before we receive the vaccine.

We will continue to distribute materials and links from the Circuit, District and Connexion via email, and send paper copies to those who don't have email. (If you are in touch with anyone from our church family who does not have email please could you let them know that worship has been cancelled for the time being.)

Please continue to hold our church family and everyone affected by Covid in your prayers, we pray that it won't be too long until we are able to worship together again.

We will review the situation on 20 January which is when the government is due to make the next decision about the tiers in England.

With very best wishes for the New Year.

Janet, Kath and Julia
